

A GRANT PROGRAM TO CELEBRATE OUR CITY

The City of Kings Mountain turned 150 this year. The city gets its name from the historical Revolutionary War battle fought five miles south. This battle has been proclaimed “the turning point of the American Revolution” by Thomas Jefferson.

To honor and celebrate the city’s great history and champion its future, The Albemarle Foundation is offering a special grant program. \$150,000 in grant funding will be awarded to local nonprofit organizations. Applicants may apply for a grant of up to \$10,000.
